Personalized Recommendations

- Emergency Fund:** Build 6 months of expenses (₹6,36,000) as emergency fund. Currently at 60% of target.
- Increase SIP:** Consider increasing monthly SIP by ₹10,000 to maximize long-term wealth creation.
- Health Insurance:** Consider a super top-up health insurance of ₹10 lakhs for comprehensive coverage.
- Tax Planning:** Maximize Section 80C deductions. Consider ELSS funds for tax-efficient investing.
- Debt Reduction:** Prioritize paying off high-interest credit card debt first.
